2010- Another Challenging year!

A new year for your Free Clinic, but with the same overriding issue.

Sustainability – We need more money to stay afloat. The clinic has experienced another significant jump in the number of patients needing our help and with more patients we have more costs. In 2009 we have increased our provider cost by over 50% in order to maintain reasonable appointment time frames, but we still have a two month waiting list for first time patients.

If you wish to donate to the clinic please call, send your donation to the clinic or visit our web site at www.acfmc.org to make your donation.

Upcoming fundraising events
